

Question 9:

Does the applicant request streamlined processing pursuant to 47 C.F.R. § 63.12?

Response to Question 9:

Yes. Topsham Communications, LLC ("Company") qualifies for streamlined processing because it is not affiliated with any foreign carrier in a destination market, nor has it an affiliation with any dominant U.S. carrier whose international switched or private line services the Company seeks to resell.

Question 10:

If applying for authority to provide switched services over private lines pursuant to Section 63.16, provide the required showing.

Response to Question 10:

The Company recognizes that 47 C.F.R. § 63.16 has been repealed and that Commission Rule 63.16 has been removed. The Company states nonetheless that it is not applying for authority to provide switched services over private lines as described in 4 C.F.R. § 63.16 (2003). It is not seeking authority to provide international switched or private line service to countries not previously authorized by the Commission.

Question 11:

If the Applicant is a foreign carrier, or is affiliated with a foreign carrier, provide the information and certifications required by Section 63.18(i) through (m).

Response to Question 11:

The Company is neither a foreign carrier nor affiliated with a foreign carrier.

Question 12:

Does the applicant seek authority to provide service to any destination described in paragraphs (1) through (4) of Section 63.18(j)?

Response to Question 12:

No. The Company certifies that it does not seek authority to provide international telecommunications services to any destination country described in paragraphs (1) through (4) of Section 63.18(j) of the FCC Rules. The Company is not a foreign carrier as described in paragraph (1) of that Section; the company controls no foreign carrier as described in

paragraph (2); no entity that owns or controls more than 25% of the Company controls any foreign carrier, as described in paragraphs (3) and (4).

Question 13:

Does the applicant seek authority to provide service to any destinations other than those listed in response to question 12 where it has an affiliation with a foreign carrier?

Response to Question 13:

No. The Company has no affiliation with any foreign carrier; therefore it does not seek to provide authority to any destinations where it has an affiliation with a foreign carrier.
